**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I love my current community-based internet and telephone service provider! Please keep the competition alive! We know that ending the competition would create price hikes that we cannot afford. This service is essential to my family and my household, and we would not want to see this company go under! They also provide service to our city's public library system for FREE! This is truly amazing as it helps all the citizens.
